

MAGNOLIA SCONCE

INSTALLATION INSTRUCTIONS

CROSS BAR + SOCKET

THREADED GLASS GLOBE

CERAMIC PART

- 1 Wear Gloves! This will protect the finish on your light, so that it will patina evenly over time.
- 2 Unwrap all parts of light, including ceramic parts.
- 3 Install the crossbar with the attached socket into the junction box.
- 4 Slip the ceramic part over the socket and hold against the wall.
- 5 Screw the threaded glass globe onto the socket, while holding the ceramic in place, until the ceramic is secured against the wall.
